RE: Monthly Report for February 2020
DATE: March 2,2020

2/28/2020

Highway Division

During the month of February, there were a few winter storms bringing quite a bit of rain and icing. Crews also assisted with preparing the parking area and providing barricades for the Harris Hill Ski Jump. In between these storms, the crew also performed routine seasonal operations such as patching potholes, sign repair, and clearing drainage structures of ice.

Maintenance Division

This month, the maintenance division has been focused on keeping our equipment operational for round the clock winter operation. We have experienced some minor break downs, but the majority of the work has been routine maintenance. Maintenance staff has also assisted the Highway Division with snow removal/plowing during storms

Interviews for the vacant mechanic position were held at the end of the month and Stuart Wheelden has accepted the position and will begin with the Town on April 6, 2020.

Distribution & Storage

This month, the crew has been working with Highway Division staff as needed to assist the highway division with snow clearing and snow removal as needed. Staff has also worked with Home Security Services to run the cabling necessary for the new security cameras. Distribution and Storage crew has also been performing routine operations such as sewer maintenance, hydrant maintenance, shoveling hydrants, vehicle maintenance, and various service calls.

Interviews for the vacant water service person were held this month and Taylor Struthers has accepted the position and will begin with the Town on March 2, 2020.

Water Treatment

Water Treatment staff test the water daily and are under contract to operate the Welcome Center and the Algiers water system. They continue to do all the daily maintenance of the all the water facilities and patrol the watershed. Staff has been maintaining required certification requirements by attending courses and classes on water treatment. AL Tyler has been working with staff to install a replacement soft start pump drive at the Retreat Wells.

As always, our facilities are available for public tours and we encourage awareness of our system.

Wastewater Treatment

Wastewater Treatment staff continues to perform routine Plant and pump station operations. They continue to complete all statutory testing as required by our licensure by both State and Federal agencies. The Plant continues to operate in compliance with all permitting requirements.

The sludge dryer pilot program continues and staff continues coordinate with consultants in an effort to control odors.

This time of year, administrative staff is busy planning projects for the upcoming construction season.

Departmental Monthly Activities Report for February 2020

To: Brattleboro Selectboard
Via: Peter Elwell
From: Starr LaTronica, Library Director

Building: We are having a problem with water seeping in at the floor of the north side of the building. Russ has been consulted and we hope to solve the problem with landscape drainage.

Community Collaboration: I continue to meet with the Community Equity Collaborative and have discussed some space collaboration with The Brattleboro Historical Society. We were happy to provide the venue for a forum to discuss issues, advice and solutions to the current uptick in car break-ins.

Programs: The Children's Room staff members outdid themselves with their larger than life-sized Candyland board game, which filled the community meeting room. Kids had an absolute blast playing the game. The CR also arranged for the Annies to return for their annual visit. Their music, puppets and general frivolity delighted a packed house, as always. We even saw one of our more curmudgeonly patrons dancing on the sidelines during their rendition *of Down by the Bay*. Meg Mott has returned to explore the amendments, picking up with the 7th. Bill Forchion generously shared his perspective on Black History. Our VHC First Wednesday program was on Muslim women telling their stories through theater. We are continuing series of Democracy Forums, featuring presentations by local experts, followed by community discussions; Tim Kipp outlined the history of voter suppression in the U.S. Weekly programs of Scrabble, gentle yoga for beginners; and *Pages & Paws Read to a Dog* also continue.

Displays: Both the adult section and the Children's Room featured books on Black History and books by African-American authors.

Website project: We spent and intensive week of work with MRW staff to tackle the structure, requirements and style of our new website. It was both exhausting and exhilarating, and we are looking forward to the final product. In the meantime, we have a massive amount of updating and creating of content to prepare for the next steps.

Personnel: Our very popular circulation clerk, Hollis Carlisle has resigned. She is already missed.

Professional Development: Circulation clerk, Courtney Carey attended the Public Library Association Conference in Nashville. She returned with a wealth of materials and ideas.

Trustees: The Trustees interviewed candidates and have nominated Karen Tyler to fill the three year term vacated by Connie Bresnahan, and Gabriel Sistare to complete the final year of the position currently held by Adam Franklin-Lyons who is relocating.

Promotion: *Love Your Library Month* was the focus of the Chamber of Commerce window for one week. *The Reformer* featured Giant Candyland on the front page of the paper and posted a video as well. Both the article and video may be viewed at:

Date of Report: March 6, 2020

Summary of Major Activities/Work Projects:

In the Assessment Office during the month of February Business License violation notices were sent to those receiving a fine of $100 plus any unpaid amounts due. As of February 28, there were roughly 18 on the list. Inspections of permits continue to be followed. Business Personal Property forms were mailed February 24. Personal Property Assets need to be reported to the Assessor's Office by April 20th.

The Assistant Assessor and Assessor Technician attended a Cultural Humility Training and a State sponsored Sale Study course. The Assessor Technician is assisting with many upgrades to the office that will streamline the efficiency of the office and other departments that use our data.

Our office met with the Tax Mapping company CAI Technologies to go over the process of getting updates to them, what is working and what we should change. The result was a savings to the Town of over $650.00. A meeting was set with Planning the same day to go over what each office needs from the other. Staff felt both meetings were helpful and productive. Follow up meetings are in the works with another company that is mutually used by Planning, Office of Assessment and other departments.

Summary of Major Activities/Work Projects:

1. **Town Meeting Day, Presidential Primary and Representative Town Meeting** – We had 39% of voters turn out for Town Meeting and 44% for the Presidential Primary, with 32% voting early for Town Meeting and 34% for the Primary. This was average compared with previous Presidential Primary election years. Voting at the American Legion was smooth. Although we had some contested races on March 3, all districts are still in need of town meeting. District 1 will need to appoint 11 TMMs. District 2 will need to appoint 1 TMM; and District 3 will need to appoint 4 candidates. All appointees will serve a 1-year term. The caucuses will be held on 3/11 and the goal is to fill these seats at this point. The outcome of the contested Selectboard race resulted in the following new three- year term: Elizabeth McLoughlin; and the following one-year terms: Ian Goodnow and Daniel Quipp. The Form of Governance article failed overwhelmingly.

There were several meetings held with various neighborhood groups to address the recent surge in larcenies and attempt of larcenies from vehicles. This issue was also addressed several times during the public participation segment of the Select Board meeting. There was also a community forum at the Brooks Memorial Library on 29 February 2020 which was well attended. Represented on the panel were members from the Brattleboro Police Department, Town Government, State's Attorney's office, Restorative Justice State Representatives. The event was very well attended.

Budget Concerns/Impacts:

Monitoring the FY 2020 budget. Preparing to present the FY2021 budget at Town Meeting.

Staffing:

We currently have two recruits attending the 12-week Field Training. They are expected to complete their training in March and will be assigned a shift thereafter.

The Department currently has 4 openings. A background check is being conducted on 1 applicant to attend the August 2020 110th Vermont Police Academy Basic Class. We are advertising locally and regionally while attending numerous college job fairs throughout New England and New York. The Brattleboro Police Department is continuing to accept applications.
