Brattleboro Tree Advisory
Board - April 9, 2013

Call to order at 7:00 - Members present: Martin Webster, Ann Brinton, Robert Clements & Helene Henry. Absent: Mike Hutchenson. Dan Adams Tree Warden. Visitors: Roz Blake, Bob Eneringham John Orgozalak, Gary King & Jen
Absent Mike Hutchenson. Minutes Approved
Agenda 1.) Dan's Report
2.) Spring Planting
3.) Trails
4.) Crowell Lot
5.) Infestations
6.) Additions

Dan's report is on file. Dan met & talked with Steve Barrett (Public Works) about tree damage to Main St. trees - mitigation of tree damage & future planting sites as sidewalks are being replaced. Dan also met with students working on "Community Preparedness Plan", & consulted on trees at Union Station. Planting sites were discussed & will consult with him. Also pruning of trees on Main St. was talked about - some new trees needed there & future planting in the Harmony Lot.

Spring planting, well look at sites, that Pam is interested in on our park sites. Also hoping to have a voice in side walk work on Main St., pre plan for trees.

We discuss the damage to Main St. trees, caused by bikes, snow removal + animals tide to trees. We discuss some mitigation - grates, stakes + bollards. Space for trees need to be planned.

Discussion of invasives - look to work + organizing already in place. Information to the public, professionals + garden stores, important first step. Partnering with people + programs already in place.

Trails - Robert reports - all seem in good shape, most work is minor + Spring work done.

We have been given final plan for Crowell Lot Skate Park. We can now look at trees affected.

Agenda for May 14, 2013

1. Trails
2. Infestation
3. Dan's Report
4. Chestnut trees
5. Main St. Plans
6. Crowell Lot.
7. Spring planting + Maintenance
