Approval of Minutes of Feb. 2013

Agenda: 1. Dan's Report
2. Spring Planting
3. Trails Report
4. Crowell Lot.
5. Infestations
6. Additions

1. Dan's Report is on file. We discuss Spring planting at Memorial Park, tree damage (on Main St.) from plows & infestations of trees. Dan has been talking with the State about how best to deal with the problem. This is also covered in Dan's

notes.

2. Spring planting discussed, possible sites need to be looked at & evaluated.

3 - Robert reports some work has been done. but mostly all is in good shape.

4. Crowell Lot - Several neighbors are present. We are given current (grial) plan for skate park. We need to visit site & evaluate how construction at site will affect trees Talk of how best to represent communities interests & investments.

5. Investations Jim Esden, who is working on this at the State level has offered to provide oversight for A Antioch student to work in our community. The State has programs in place - to inform the public & professionals in the field
