RE: Monthly Report for May 2020
DATE: June 1, 2020

COVID-19

During this month, Public Works has continued to fight the spread of COVID-19. We have instructed staff to perform all essential tasks while working as separately as possible, staff who are able have been working remotely. As we watch the number of new cases in Vermont plateau a bit, we're confident knowing that we're doing our part to stop the spread and lessen the curve.

Highway Division

This month, the Highway Division was busy patching potholes and digging culvert ends in several spots in town. Crews have also worked on grading, raking and dispensing chloride on the gravel roads and nighttime line striping also continued through May.

Maintenance Division

The Maintenance Division focused on removing, repairing and storing the winter maintenance equipment. They also ensure the sweeper, mower, catch basin cleaner, line striping machines and other specialized construction equipment is operational and ready to go for the season. This month, in addition to general maintenance of the fleet, the staff has been mowing the lawn at the Fairground Rd facility and working on general building maintenance.

Distribution & Storage

The Distribution and Storage crew finished the daytime water main flushing at the beginning of the month. Staff repaired a sewer issue on South Main Street and has been working on trimming brush at the Retreat Wells. The Chestnut Hill Reservoir retaining wall resumed this month. Skip Fletcher has returned to oversee this project and they are making good progress on the wall.
Due to the COVID-19 pandemic, this division has continued to limit contact with the public which has hindered meter reading, 'call backs' for meter issues and meter replacement. Staff worked on inventory and has also been performing routine operations such as sewer maintenance, hydrant maintenance, vehicle maintenance, and various service calls.

Water Treatment

Water Treatment staff have been working on watershed maintenance and repairs to Pipeline Road. Staff tests the water daily and are under contract to operate the Welcome Center and the Algiers water system. They continue to do all the daily maintenance of the all the water facilities and patrol the watershed. Staff has been maintaining required certification requirements by attending courses and classes on water treatment.

As always, our facilities are available for public tours and we encourage awareness of our system.

Wastewater Treatment

Wastewater Operator/Lab Technician, Steve Dyer will be retiring on June 6, 2020 after 12 years at the plant. We welcomed Steve's replacement, Jamie Martell on May 26. Jamie will have an opportunity for some training with Steve before his retirement which will help with the transition.

Wastewater Treatment staff continues to perform routine Plant and pump station operations. They continue to complete all statutory testing as required by our licensure by both State and Federal agencies. The Plant continues to operate in compliance with all permitting requirements.

The sludge dryer pilot program continues and staff continues coordinate with consultants in an effort to control odors.

Administration

Typically, at this time of year, administrative staff is busy planning projects for the upcoming construction season however, given the unprecedented COVID-19 global pandemic situation, all spring projects are currently on hold.

- **Upcoming Projects/Events** –
    - Exit One Utilities upgrades
    - Staff is working on getting RFP's for the Retreat Wells Roof replacement
    - Black Mountain Road sidewalk project
    - Working on Stormwater permits and compliance
    - Selected Banwell Architects of Lebanon, NH and SVE of Brattleboro for DPW Facility upgrade and have had a preliminary review of facility with them
    - Re-design intersection at Elliot ST & Church ST
    - Forestry Projects at Pleasant Valley and Sunset Lake
    - Re-design intersection at Western Ave & Williams ST
    - Retaining wall failing near 431 South Main ST

- **Budget Concerns/Impacts** –
    - Failing retaining wall on Williams ST, behind Vermont Country Deli
    - Structural failure of salt shed at DPW

Please note that the Departmental Monthly Activity Report is only a summary of the operations and projects at the Department of Public Works. This report does not include the numerous day to day operations, responses, and projects that occur.

Summary of Major Activities/Work Projects:

1. **General COVID-19 Operations** – Due to the COVID-19 pandemic, beginning March 26 all of our staff began working remotely. One staff member has been going into the office when the mail is available to process document requests, dog licenses and land recording. We have still been available to the public by phone and email to answer any questions and help in every possible way. We continue to process voter registrations online, and are catching up on many data entry and cemetery mapping and indexing projects. Our team is staying busy and being as creative as we can to continue to serve the public. Along with the rest of the Town offices, we began our Phase-I soft opening to the public on May 4, in accordance with the procedure put out by the Town Manager's office. One staff member has been in the office daily from 8:30am to 5pm, with appropriate breaks.

2. **Representative Town Meeting** –Due to COVID-19, RTM was canceled by the Selectboard and will be re-warned when appropriate. Currently, District 1 still has seven open seats, and District 3 has one open seat due to the resignation of the incoming Selectboard member.

3. **WSESD Annual Meeting** – Due to COVID-19, the March 17 WSESD Annual Meeting was postponed, and is now being held by ballot, instead of a floor vote. The vote will be held on June 30, from 10am-7pm. Brattleboro voters will be voting at the WSESU Central District Office, 53 Green Street. A limited number of voters will be allowed into the building at a time. All voters are encouraged to request ballots by mail. There will no in-person early voting for this election, but ballots will be mailed to those requested beginning June 10.

4. **August Primaries and November Generals** – Discussions are beginning around how to hold the upcoming elections. We are waiting on decisions to be made by the Secretary of States of office so that we can begin planning. The BCA will meet mid-June to begin planning for social distance layouts for the August election. All voters are encouraged to update their registration and mailing addresses, and request ballots by mail.

5. **Liquor/Entertainment License Renewals** – Renewal liquor and entertainment licenses continue to be processed. All renewals were approved by the Selectboard in February and have been sent to the DLC for processing and approval. Due to COVID-19, the DLC has extended the deadline for renewals until June 30, 2020, for any business that has not yet renewed. Provisional Outside Consumption Permits are being issued directly through the DLC during this time of re-opening.

6. **Dog Licenses** – 2020 dog licenses continue to be issued. Due to the COVID-19 pandemic, late fees have been waived until further notice. While the late fee after the April 1 deadline has been waived, dogs are still required to be licensed per statute. We estimate that we have issued 929 2020 licenses, and there remain approximately 305 unlicensed dogs in town for 2020. Licensing has been slower than normal due to the pandemic.

7. **Brattleboro Cemetery Committee** – The committee's April meeting to continue the discussion on green burials will be rescheduled for a later date, due to the COVID-19 pandemic. An

organizational meeting will be scheduled for sometime in July. Cemetery records are being computerized.

8. **Vitals and Land Records** – we are processing these as we are able through mail, email and online payments. We continue to encourage the public to request documents through email, mail, and fax.

9. As time allows, work continues on computerizing cemetery records, digitizing land records and other older town records.

10. Day to day operations continue to operate smoothly.

Date of Report: June 5, 2019

Summary of Major Activities/Work Projects:

In the Assessment Office during the month of May the office finished data collection and entry of valuations. The Grand List Abstract was lodged with the Town Clerk May 26th. Change of Appraisal Notices were sent to those who had a value or allocation change from the previous year. Business Personal Property forms were calculated as received. The deadline for these forms has been extended to July 15. The flow of forms into the office has slowed, indicating some businesses are taking advantage of the extension. The Board of Listers had their first organizational meeting via GoToMeeting. The process of grievance hearings taking place on the same GoToMeeting format was discussed.

Staff started a slow reopening of the office with one person in the office at a time. Brattleboro Fire Department was able to supply handmade masks. Other Personal Protection Equipment have been put in place. There where few requests for an appointment with most tasks handled via email or online.

Staff continues to meet via GoToMeeting every morning for roughly and hour.

Communications

Operations are still somewhat limited at the Brattleboro Fire Department due to COVID - 19.

- All "normal" daily functions such as inspections, fire prevention, school visits, and outside training classes continue to be put on hold. Presently the hope is to resume a lot of this in July.
- Our buildings remained "closed" to the public.
- Conference calls continue every Thursday with VT Emergency Management and include VT Department of Health, VT EMS, Office of the Medical Examiner, Dept of Public Safety, and others.
- Supply and restock of PPE remains adequate
- School Meals Program continues will continue distribution from both stations through August.
- Site plan review for 2 projects on the June 16 DRB meeting.
- During the time the kitchen has not been used to eat in, Platoon 1 took the opportunity to refinish the kitchen table.
- VT State EMS has released new patient care protocol for 2020. Staff has been busy training on these new procedures.
- May 19 – The duty shift assisted BMH staff in cleaning out the surplus equipment trailer in preparation for restocking.
- May 26 - The Duty Shift participated in a "drive by birthday celebration" for a 5-year-old girl
- May 27 – Several BFD staff members assisted at the state food distribution at BUHS.
- May 31 – BFD assisted BPD and other agencies with a BLM protest in the downtown area.
- June 2 – BFD assisted BPD and other agencies with a BLM protest on the Common and in the downtown area.

- Beginning on June 15 some of the restrictions for COVID safety will be lifted. These include getting the Call Staff engaged again, training sessions for 25 people or less, visitors for "official business" and a few others. All CDC & VDH recommendations will be followed.
- C1 is working with several local and state partners to establish a "restaurant feeding program". This is a pilot program being ushered and funded by the state to feed families in need while using local restaurants to prepare the meals which will help them get back on their feet after being shut down.
- June 11 – Another state food POD will be happening at BUHS.
- July – Work is scheduled to begin on Red Clover Commons Phase 2
- July – I hope to be able to start the life safety inspections back up.

Staff

- Staff "health screenings" twice a shift, will continue
- Face coverings continue to be worn by staff in the station and in public settings.
- On coming and off going shifts do not mingle and stay separated.
- The Office Manager will begin a 2 day a week schedule on June 8 in the office, the rest is work from home. On July 1, a normal office schedule will resume.
- Staff continues to make "grocery store and pharmacy runs" at the request of a few high-risk citizens

Notable Incidents

- May 23 – A two alarm fire between 46/48 – 50 Elliot St caused by careless disposal of smoking materials. Moderate damage to the roof structure over the stairwell.
- May 23 – Mutual aid response to Putney for a brush fire that involved several vehicles.
- May 24 – Mutual aid response to Hinsdale for a basement fire
- Several overdoses in May with 2 fatalities
- A statistic that has caught our eye is as our response totals continue to rise – of the 210 calls we answered in **May**, 65 of those or 31.5% of our call volume were overlapping. So far in this **calendar year** we have answered 267 overlapping responses or 26% of the call volume. In other words, we had 2 or more calls we were handling at once. These overlapping responses mean the shifts need to be flexible and at times it stretches our resources very thin.

Budget Concerns/Impacts

- A few line items are over budget and a few are running high but overall, the bottom line is still below the time in the fiscal year

Staff news

- Probationary FF Steve Pellicano, now on the job 4 months, continues his basic training and is progressing well.
- ***Full and healthy staff as of this writing*** – no isolations or quarantines

BFD has answered 1034 calls for assistance in 2020 as of this date
210 responses in May
42 overdose calls in 2020/10 in May/2 fatalities in May

Re: Departmental Monthly Activity Report – May 2020

Summary of Major Activities/Work Projects:

- **Land Use Planning**
  - Released RFP for Western Ave. Bike Lane Scoping study
  - Working on draft zoning amendment language to facilitate infill housing
  - Held 2 Planning Commission meetings. Focus included long-term COVID-19 recovery as well as short-term actions that they could recommend to the Selectboard
  - Preparing a housing vacancy survey to be sent to landlords
  - Conservation Commission began 3rd season of Japanese knotweed control in the West River Park with a work session

- **Zoning**
  - May permits have returned to level of last year, 15 vs. 16 issued, with 8 of those issued l ast week.
  - 1st DRB meeting warned since COVID emergency started.
  - Zoning enforcement, small neighbor's complaints: geese, chickens, sofas, neighbor disputes

- **Sustainability**
  - Coordinated with regional energy organizers, committees, and organizations (VNRC, VECAN, VCRD) to explore potential collaborations around energy efficiency, public education, and more.
  - Participated in VT Council on Rural Development (VCRD) conversations across Vermont's network of mutual aid and community organizers, helping to contribute and bring Brattleboro's contributions to a recently released report.
  - Organized community partners in the food/farm system to collectively present resources that enable residents and groups to grow their own food during the post-COVID growing season. This has taken the form of an effort called *Growing Resilience* which aggregates local and regional resources to make it easier for anyone in Brattleboro to garden successfully and prepare nutritious food for themselves and their families. There is an active launch and outreach campaign for this effort that will continue through the end of the growing season in October.
  - Assisted in brainstorming a path to reviving the Agricultural Advisory Committee with the Planning Director, community members, and other stakeholders.
  - Advanced trail work under the "Further Connecting Brattleboro" project with National Parks Service's technical assistance. Winston-Prouty and Delta campuses are advancing plans for developing their neighboring properties with a united trail system and new conversations are advancing around the potential for formalizing the Hogle Trail around the Retreat Meadows in conjunction with Retreat Farm, Hogle Sanctuary, local homeowners, and others.

- Performed some minimal background logistical support and networking to the So VT Mask-Making collective, which has now generated over 10,000 masks for frontline workplaces in the wider Brattleboro area.
- Resolved questions regarding the carbon pricing and offset values built into GMP's Cow Power program.

- **Meetings/Conferences**
  - Community Housing Action Team meeting regarding housing for homeless
  - Web meeting with vendor to review online permitting software
  - Traffic Safety Committee
  - Planning Commission and Conservation Commission held meetings
  - Webinar on Infill Housing and Zoning

Departmental Monthly Activities Report for May 2020

To: Brattleboro Selectboard
Via: Peter Elwell
From: Starr LaTronica, Library Director
Date: May 5, 2017

Much of the past month has been spent researching, attending webinars and talking with BML and Town staff to determine the best way and pace to move toward limited resumption of services.

Curbside pickup of materials continues. Circulation and Children's Room staff worked to refine the best systems for handing requests and streamlining distribution.

Quarantine of materials continues for a 2-week period. This practice was validated as a best practice in the June 2020 issue of *American Libraries.*

Staff has been actively involved in the planning for phased resumption of service. I appreciate the cautious and conscientious approach to maintaining and proposing the safest way forward.

Books are being delivered again and Technical Services is busy getting them out. Ordering of new materials has also resumed.

We were allowed to put a small number of our yellow tables and chairs in front of the building for outdoor wi-fi access. Use has slowly increased.

Also, the ribbon art from last fall's Build a Better Block project has been re-installed by the artist, Cynthia Parker-Houghton along the front of the building.

Projects, programs, activities: Staff quickly swung into action and put together bibliographies and resource lists on racial justice. All staff was invited to contribute to the effort. The Children's Room staff created excellent books lists, Jeanne put together a terrific compendium of websites and online resources and added new ebooks and ereference works on the subject. Courtney put together a website dedicated to this issue and Klara established a Koha list that was populated by many staff members, with many suggestions submitted by Lorena. The Technical Services crew quickly cataloged and processed titles purchased locally. This has been a wonderfully collaborative effort that has been most appreciated by the community.
Professional Development: Staff continues to participate in online learning opportunities. VDOL offered free enrollment in up to three webinars that would benefit a wide range of library employees.
Community Collaboration: Courtney created a website for the Growing Resilience project, led by Stephen Dotson, the Town sustainability coordinator. The sunflower seed distribution project continues to grow in popularity. I continue to meet with the Community Equity Collaborative and have called in to the conversations convened by Rhianna Kenrick from Groundworks to keep in touch with ways we can help the vulnerable populations in town. I contributed a letter of support for an IMLS CARES grant application from SIT which would expand access to their public health resources, and possibly provide some wi-fi hotspots for use by our patrons. Edible Brattleboro has planted peas along the back path to the Library, so we are giving peas a chance.
Website project: Jeanne has been adding content and communicating with MRW. We are working on a new timeline.
Promotion: Our Facebook presence continues to be active. The Reformer printed a large color photo of our window signs. We receive a lot of positive feedback on our weekly Constant Contact newsletter.

SUBJ: MAY 2020 MONTHLY REPORT

Summary of Major Activities/Work Projects:

Officers responded to 615 calls for service/incidents and made 18 arrests resulting in 18 criminal charges. Included in these calls for service were 7 overdoses with 1 resulting in death. This does not mean there were only 7 overdoses in Brattleboro for this period. It merely means that these are the numbers that were responded to by police.

29 vehicle operation citations were issued along with 9 warnings. Officers spent approximately 348 hours on foot patrol in the downtown area as well as other neighborhoods and parks in Town.

Special Meetings/Communications/Events:

Officer's and staff continue to make numerous appearances throughout the community and communicate by electronic means to meet and discuss the concerns of the citizens. The topics included excessive force, personal safety, crime trends, homelessness and internet safety. The Brattleboro Police Department continues to make strides in educating and informing the citizens of our activity and to solicit their feedback on how we can improve our services.

Budget Concerns/Impacts:

Monitoring the FY 2020 budget, preparing to close out.

Staffing:

The Department currently has 4 openings. A background check is being conducted on 1 applicant to attend the August 2020 110th Vermont Police Academy Basic Class. We are advertising locally and regionally while attending numerous college job fairs throughout New England and New York. The Brattleboro Police Department is continuing to accept applications. Currently the Vermont Police Academy is closed due to the pandemic.

COVID-19

As the Town of Brattleboro responds to COVID-19, the men and women of the Brattleboro Police Department remain steadfast in our commitment to maintain public safety, uphold the law and safeguard the well-being of our community. Our department is working closely with other law enforcement agencies, Dept. of Public Safety, and the State's Attorney Office to help reduce the spread of COVID-19.

We are slowly returning to normal operations with an emphasis on safety. We are constantly staying in compliance with the directives and recommendations set for by local, state and federal subject matter experts.

All patrol shifts remain fully staffed as there has been no change to our schedule.

The reduction of pro-active policing is reflective in the motor vehicle enforcement, arrests and the rise in overdose fatalities. We are looking forward to the time when we can safely return to our pre-pandemic activities of interacting with all the members of our community.
