9:30am	Green v. Purple
9:45am	Red v. Purple
9:45am	Green v. Blue

Dear Parents and Players:

Due to overwhelming evidence from studies, the Brattleboro Recreation and Parks does not encourage heading the soccer ball. We ask coaches, parents and players work together to limit the amount of heading that occurs during games and practices. Improper heading can result in concussions which have been on the rise in youth soccer world wide over past years. Thank you!
