

Police-Fire Facilities Building Committee
Wednesday, January 28, 2015 – 4:00pm
Hanna Cosman Meeting Room, Municipal Center
Agenda

The original mission of the Police-Fire Facilities Building Committee was to provide financial and technical oversight to the Police-Fire Building renovations/addition project. The Selectboard amended the Committee's charge on October 7, 2014 to include: that the Police-Fire Facilities Building Committee make recommendations as to costs and related plans for moving forward with (1) reconstruction of Central Fire Station, (2) reconstruction of West Brattleboro Fire Station, and (3) for developing plans and purchasing a location for a potential new Police Station. The ad hoc committee consists of 8 members and a liaison from the Selectboard. Currently serving are:
