A special meeting was called to discuss our game plan for the possibility of the skate park being on the Select Board Agenda for the March 20th meeting. The select board is concerned that the process taken to choose the Crowell Lot was not done properly.

BASIC has decided to send an informational packet to the Select Board prior to their next meeting.

Items to go into packet:

Facts about skate parks in general

Finances

Number of Facebook members

List of reasons the other proposed sites doesn't work

Police Survey from Tony Hawk Foundation

Next meeting March 15th 6:00 Hannah Cosman meeting room.
