

BASIC Meeting Notes February 21, 2013

Members in attendance: Dennis Wygmans, Jeff Clark, Melissa Clark, Spencer Crispe, Joe Bushey (Quorum has been met)

Others in attendance: James (would not provide last name)

- 1) Approve meeting notes from February 7, 2013 – Approved
- 2) Public Participation – James stated he was concerned about the need for a first aid area at the skatepark. He suggests maybe some volunteers that are certified could take rides through the area periodically. We advised that this would be a decision for the Rec & Parks Dept. to make after the park is built.
- 3) Town Update – The skatepark plan has been approved by both the DRB and the Selectboard. The plan will now be presented at the next Schoolboard meeting on March 6th at 5:00 pm at Academy School.
- 4) Fundraising - A. We need to move forward in full force with pursuing grants now. We discussed using the time following our regular meetings to meet as subcommittees to work on grants.
B. Dennis has suggested we start a program to try to get every person in the state of Vermont to donate \$1 towards the park. Spencer will talk to Carol to see if this is okay for us to pursue. And we will look into using our Paypal account or cell phone texting options for receiving the money. C. James suggests Spaulding in Springfield, MA may be a place to check into for a possible grant. D. Joe suggests looking into a telethon on BCTV.
- 5) Winter Carnival Skate Jam Update – It was a small group at the event this year, but it went well and the kids seemed to have a great time. An amazing 32” was the winning height of the High Ollie contest won by Alex.
- 6) Other business – none
- 7) Adjourn

Next meeting March 7, 2013 6:30 PM Hannah Cosman meeting room. #
