1. Adjust meeting agenda – Skatepark Promotions has been added to Item #6
2. Approve meeting notes from January 13, 2015 - approved
3. Public Participation - none
4. Website – personal profile update – Francine is working on her profile and will have it complete by next week
5. Update on new proposed skatepark site – Vt. Leagues of Cities and Towns is the insurance company that covers the town of Brattleboro. They will be meeting with Carol to discuss concerns with this upper location because it is adjacent to skiers/snowboarders using the hill during the winter. Other than the insurance issues and probable Act 250 permits, Carol doesn't anticipate other major hurdles with this location. The plan will also need approval from the DRB. Living Memorial Snow Sports will also be contacted to address any of their concerns.
6. Donations / Skatepark Promotions - Carol and the town manager have agreed to allow BASIC to place an approved sign at LMP encouraging people to donate to the park. BASIC will also begin brainstorming other fundraising options so we can move forward with raising money as soon as the new location is considered "official" by the select board.
7. Set date of next meeting – A date for the next meeting has not been set but is expected to be in late March
8. Adjourn
