Brief discussion, motion and voted on changing by laws to reflect our ongoing need for smaller numbers for a quorum. Voted to have 5 member committee instead of 7. All said yes.

Location had been at Marlboro Building to make it easier for old members to attend meetings (they worked in the building). New committee can more easily access town hall. If parking becomes an issue, will ask town to 'hold' some handicapped parking spaces for us, as has already been discussed with Jan/town secretary. All voted yes to the move.

Brief discussion, motion and voted on amending by laws. All approved:

\*\*\*9a. wording change: Passage of a motion requires a vote by a majority of members.

\*\*1c. deleting entire section

\*\*1b Terms that are already filled (including potential of Reuben's term) will stand as they are, the two term seats that are empty will no longer exist. If the town has other requirements for which seat terms to keep and which to end, we will follow their instruction without another vote.
