

## Travel Permits

The Parking Department sells permits for people needing to take the train or needing to leave their car in Brattleboro for an extended period of time. Travel permits are \$5.00 per day. There is no charge for Sundays or holidays. Permits can be purchased at the Parking Office, which is on the ground floor of the Transportation Center, Monday thru Friday from 830 to 430. During off hours, the permit may be purchased at the Police station. The permit is valid only in the parking garage.
