

TOWN OF BRATTLEBORO
CONSERVATION COMMISSION MINUTES
May 28, 2019

Conservation Commissioners: Drew Adam, Jennifer Latham, Marilyn Chiarello, Laurie Callahan
Staff: Sue Fillion

D. Adam called the meeting to order at 4:30 P.M. He advised that due to the weather, the Conservation Commission work session was cancelled.

The Commission agreed to reschedule the work session to June 6 at 4:30 P.M. They spoke about the efforts to burn the debris from last year and agreed that they needed to keep the knotweed up off the tarps to keep it dry. J. Latham proposed a design for a pallet bin. S. Fillion will speak to Recreation and Parks to see if they could construct this and locate it in a sunnier place on the property.

The Commission discussed asking Dan Healey from Long View Forest to do a presentation on backyard invasives. It was felt that June 25 would be a good time to do this. This would be funded by the AVCC Tiny Grant. It was felt that a walk and talk held at the Retreat Farm could be a good location to hold it.

The meeting adjourned at 5:30 PM
