

Brattleboro Energy Committee

Monday, May 13, 2019

5:00pm

Community Room, Brattleboro Food Co-op

Attendees: Milton Eaton, Tom Franks, Carol Levin, Oscar Heller

Guests: Dave Schoales, Michael Bosworth

Minutes

- A. Meeting called to order at 5:15pm.
- B. April 1 minutes approved 4-0-0.
- C. Discussion of Renewable Energy Vermont's net metering letter. Decided to think about it and decide at next month's meeting.
- D. Oscar and Tom updated everyone on the ongoing work of the sustainability coordinator working group, and the committee discussed the project in general. Dave Schoales stressed the importance of diverse community input at this early stage.
- E. Oscar shared Ralph Meima's email regarding the local microgrid working group. The group met once on 4/4 for a televised discussion, but hasn't made other progress.
- F. Carol updated everyone on her discussions with Marian Major at WRC. WRC and VECAN are working to schedule a forum of energy committees in the region in October. Carol also gave a report on her attendance at the Racial Justice/Climate Justice workshop.
- G. Meeting adjourned at 6:00pm.
