Review of Agenda - approved as warned

Review and Approval of Minutes - August 28, 2017 minutes approved as written

Compliments & Complaints - Ben reported that there were no new communications at BPD. An old complaint, first reviewed by CPCC at the Aug. 28th meeting, was reviewed; as Captain Carignan was out of town at that time, the details were not known to him. No new developments have occurred to our knowledge. Captain Carignan will follow up and report on what has thus far transpired regarding this complaint.

Unfinished Business - The informational letter-to-the-editor, approved for publication at our last meeting, appeared in both the Reformer and the Commons. As there has been no feedback or response to this outreach, it was questioned as to just what the purpose of CPCC is. Discussion followed with general agreement that although times are often quiet, when our assistance regarding complaints is needed, it is well that the committee exists to enhance communication between citizens and BPD.

New Business - none

Moved, seconded and so voted to adjourn at 6:10pm.

The next meeting will be on Nov. 27, 2017; 5:30 PM; Library Meeting Room.

Respectfully submitted
Ken McCaffrey
