

**TOWN OF BRATTLEBORO
CONSERVATION COMMISSION WORK SESSION
September 24, 2019
4:30 PM
West River Park, Brattleboro
333 West River Road (Route 30)**

At its September meeting, the Brattleboro Conservation Commission will clean up trash along the West River as part of the annual Source to Sea Cleanup of the Connecticut River system. Volunteers of all ages are welcome and should meet in the West River Park at the entrance of the trail to down to the West River. Refreshments, gloves, and trash bags will be provided. The Conservation Commission will also give a brief update on their Japanese knotweed project. Volunteers wishing to cut knotweed after picking up trash are invited to do so.
