

**INFORMATION REGARDING WHEELCHAIR ACCESSIBLE VENUES  
IN BRATTLEBORO  
Last updated April, 2017**

In the following pages you will find information on Wheelchair Accessible Venues for public and private events in our community.

The Information has been given by each venue and has not been reviewed in person by members of the ADA committee.

When considering wheelchair accessibility, please remember that true accessibility includes access to the venue, accessible parking (near the venue), accessible bathrooms, and wide aisles for maneuverability.

A Disability Friendly venue would also include low levels of extra noise, adequate lighting, moderate amounts of flashing or multiple colors of lights, and chairs or benches throughout the venue.

For more information on what it means to have a Disability Friendly event, please contact the Brattleboro ADA committee at [BrattleboroADA@gmail.com](mailto:BrattleboroADA@gmail.com).
